You Are Invited!

2018 Epidemiology Research Exchange

Friday, April 27, 2018
8:30a.m. - 4:00p.m.
San Diego County Operations Center
5520 Overland Ave
San Diego, CA 92123

The Epidemiology Research Exchange is an annual conference first established by Dr. Elizabeth Barrett-Connor and Dr. Frank Garland in 1985. The "Epi Exchange," as it has come to be known, gives local researchers and students a stage to present current research and emerging methodologies.

“The Impact of Epidemiology in an Era of Big Data”

James V. Lacey, Jr., PhD
“Interventions to Prevent Big Data from Killing Epidemiology”

Dr. Lacey is a cancer epidemiologist at City of Hope, an NCI-designated Comprehensive Cancer Center in Los Angeles, CA.

Michael Hogarth, MD, FACP, FACMI
“Epidemiology in the Age of Biosensors and Big Data”

Dr. Hogarth is a board-certified Internist and faculty in biomedical informatics focused on public health informatics and applied clinical informatics

Call for Abstracts: DUE DATE April 6, 2018
