FACULTY INVITATION
The UC San Diego Institute for Public Health invites you to its 2nd Strategic Meeting and Dynamic Seminar featuring:
UC San Diego guest speakers from the Scripps Institution of Oceanography, the Department of Pediatrics, the Department of Computer Science and Engineering, & the Department of Bioengineering

WHEN: Tuesday, April 21, 2015
3:00pm – 5:00pm

WHERE: UC San Diego School of Medicine Campus
Leichtag Building, Room 107

Featured Speakers:

Veerabhadran "Ram" Ramanathan, PhD,
Distinguished Professor of Atmospheric and Climate Sciences at the Scripps Institution of Oceanography, will speak on population, poverty, environment degradation and public health.

Sheila Gahagan, MD,
Professor of Pediatrics and Chief of Child Development and Community Health, will speak on early life factors and cardiovascular risk as related to public health.

Larry Smarr, PhD, Harry E. Gruber Professor of Computer Science and Engineering, and Founding Director of the California Institute for Telecommunications and Information Technology, will speak on novel human microbiome surveillance diagnostics to support public health.

Todd P. Coleman, PhD, Professor of Bioengineering, will speak on neuroscience and bioelectronics as related to public health.

A panel discussion with the speakers, questions from the audience, and a brief wrap-up will follow the presentations.

Refreshments will be provided at a reception following the meeting for team building and further discussion and networking.

Please RSVP to vsaddler@ucsd.edu by Friday, April 17, 2015. Visit our website at http://publichealth.ucsd.edu

We hope you can join us on April 21, 2015!
